An International Dyslexia Association Accreditation Plus training program. Course is aligned with the CA Dyslexia Guidelines. Learn Structured Literacy instructional techniques for speaking, listening, vocabulary, reading decoding, reading comprehension, spelling, handwriting, and written expression.

Daily demonstration of teaching approach by a master teacher with a group of children in a classroom setting. Includes daily practicum opportunity for teacher participants to utilize newly-learned structured language strategies while working with one or two students each day in supervised one-hour sessions.

Orientation and overview of screening, testing, and evaluation techniques for initial identification as well as assessment of student progress. Discussion and examples for use of the approach with students in various educational settings: classroom, small group, individual, educational therapy, or academic language therapy.
