Slingerland® MSLI Course Description

- Multisensory [Multimodal] structured language (STRUCTURED LITERACY) instructional techniques for speaking, listening, vocabulary, reading decoding, reading comprehension, spelling, handwriting, and written expression
- Daily demonstration of teaching approach by a master teacher with a group of children in a classroom setting
- Daily practicum opportunity for teacher participants to utilize newly-learned multisensory (multimodal) structured language strategies while working with one or two students each day in supervised one-hour sessions
- Daily lecture period by instructors on history, philosophy, rationale, and background information related to use of multisensory (multimodal) structured language instructional strategies
- Instruction in explicit strategies to develop vocabulary, promote fluency, and improve reading comprehension
- Orientation and overview of screening, testing, and evaluation techniques for initial identification as well as assessment of student progress
- Daily writing of lesson plans with written feedback from master teachers that can be used for later reference
- Discussion and examples for use of the approach with students in various educational settings: classroom, small group, individual, educational therapy, or academic language therapy
- Comprehensive instruction in the logic and structure of English [phonology-phonics-morphology-orthography-etymology-semantics-syntax-grammar]

Registration Deadline: May 25, 2020
