

Co-sponsored by the IDA Northern California Branch

Prevention/ Early Intervention

Grades K-3

Fundations® Virtual Launch Workshops provide the practice and guidance needed to effectively begin teaching the Fundations curriculum for the selected workshop Level. Led by a skilled instructor, each interactive remote workshop addresses: the principles of instruction; the skills taught in the selected Fundations Level, including phonemic awareness, phonics and word study, vocabulary, high frequency words, fluency, comprehension, handwriting, spelling, and punctuation; development of the daily learning plan; and practice of lesson activity procedures.

Wilson Fundations® is a multisensory structured literacy program aligned with scientific reading research and Orton-Gillingham principles, and is designed to benefit all K-3 students, whether in a Tier 1 or Tier 2 setting. It thoroughly teaches the foundational literacy skills of the California Common Core State Standards (print concepts, phonological awareness, phonics, word recognition, and fluency). It also strongly supports reading, writing, and language standards.

Intervention

Grades 4-12 & Adults

Just Words® Virtual Launch Workshops provide the practice and guidance needed to effectively begin teaching the Just Words curriculum. Led by a skilled instructor, this interactive remote workshop addresses: the principles of instruction; the skills taught, including word study, vocabulary, high frequency words, spelling, and fluency; appropriate identification and grouping of students; development of the daily learning plan; and practice of lesson activities.

Just Words® is a multisensory structured literacy program providing direct and explicit teaching of “how English works” for both decoding and spelling automaticity. It serves as an intervention (Tier 2) for students in grades 4-12 and adults with mild to moderate gaps in their decoding and spelling proficiency but do not require an intensive intervention. Aligned with scientific reading research and Orton-Gillingham principles, the curriculum offers a sophisticated study of word structure through the six syllable types in English and the most common Latin roots. Just Words is an appropriate intervention in daily small-group or small-class instruction.

Intensive

Grades 2-12 & Adults

Wilson Reading System® (WRS) Introductory Courses provide an overview of the Wilson Reading System Fourth Edition curriculum and serve as the prerequisite for WRS Level I Certification, which makes one eligible for the Wilson® Dyslexia Practitioner (W.D.P.) credential. Currently offered in a virtual instructor-led format, this course addresses: the process of identifying appropriate students; WRS principles of instruction; and an introduction to the systematic, explicit, and integrated instruction in phonology, morphology, and orthography.

The Wilson Reading System® is an intensive (Tier 3) multisensory structured language education (MSLE) program for students in grade 2 and beyond who have a language-based learning disability, such as dyslexia, or who have not internalized the sound-symbol system for reading and spelling. Based on scientific reading research and Orton-Gillingham principles, WRS is a highly structured remedial program that directly teaches the structure of the English language. (One graduate credit, optional, is available through Fitchburg State University, Fitchburg, MA.)

Fundations Virtual Launch Workshops 2022

INSTRUCTIONAL HOURS	TIME	TUITION
4 (One day)	9:00 a.m. - 2:00 p.m. (PT)	\$289

Wilson's Virtual Instructor-Led Workshops

Our virtual professional learning offerings are taught by our expert instructors, offering the same high-quality experience that teachers expect from Wilson. This exciting shift to remote workshops offers enhanced features that promote interactive learning, including breakout sessions and other elements to address adult learning principles.

Workshop participants also gain access to the corresponding program's online learning community in Wilson Academy®, where they can view video demonstrations, resources, tips, and other supports throughout the year.

Registration Information

- Registration with payment is required before the event and is processed on a first-come, first-served basis.
- Tuition includes access to training handouts.
- Tuition is fully refundable with notification up to three days prior to the event date. Cancellation within three days prior to the event will be credited toward future professional learning within 12 months.
- This training will NOT be recorded. The registrant must attend the live video conference event and then finish a course assessment within a month in order to be credited with successful completion.
- A confirmation email will be sent with event details.

While we make every effort to conduct professional learning events on the dates and locations advertised, they are subject to change without prior notice. Wilson reserves the right to change or cancel a professional learning event due to low enrollment or factors beyond our control. We will attempt to notify registrants to limit customer inconvenience but we are not liable for any expenses incurred.
