## Morphology: OG Advanced Structured Literacy Training

Ron Yoshimoto, M.Ed,  
M.S.W., Fellow AOGPE

OG Advanced is a 1-day structured literacy training that will focus on morphology. Morphology informs spelling. Developing morphological awareness will have significant positive outcomes on student spelling, decoding, vocabulary and comprehension. **OG Basic training is a prerequisite to enrolling in this class.**

**When:** June 25  
8:30 a.m. - 3:00 p.m.

**Where:** Star Academy  
4470 Redwood Hwy  
San Rafael, CA 94903

**Cost:** \$150 (IDA NorCal Member)  
\$175 (Non - IDA NorCal Member)

**Who:** General education and special education teachers, resource and reading specialists, educational therapists and private tutors.

**Registration:** Register online by no later than June 10.  
This training is limited to 25 people and will sell out. Please see website for refund/cancellation policy.

An IDA Accreditation  
**Plus** training program.

**Registration:** <https://norcal.dyslexiaida.org/yoshimoto-orton-gillingham-advanced-registration-page/>

**Note:** All training course materials, including extensive teacher resources, are included in the cost of the course. (The training does not include a practicum option.)

All COVID protocols observed.
